

# HIV & Hepatitis C Testing Services for Contra Costa Residents

**February 2018**

1. **Your medical provider.** Under the Affordable Care Act, HIV & Hepatitis C (HCV) testing is covered at no cost as a prevention service. Please ask your primary care provider for an HIV/HCV antibody test.
  
2. **Public Health HIV/AIDS & STD Program:** We offer free rapid HIV/HCV testing to high-risk individuals at the following locations:
  - **El Cerrito:** Rainbow Community Center 6491 Portola Drive El Cerrito, CA  
Free testing is provided on the first and third Wednesday of the month from 4-8 pm
  
  - **Richmond:**  
Familias Unidas 205 39th St. Richmond, CA  
Free testing is provided every first and third Monday from 1-4 pm.  
  
Native American Health Center, 2566 MacDonald Ave @ 26<sup>th</sup> St. Richmond, CA  
Free testing is provided every second and fourth Monday from 1-4 pm.
  
  - **Concord:** Rainbow Community Center 2118 Willow Pass Rd., Suite 500  
Free testing is provided every Tuesday of the month from 4-8pm.
  
  - **Concord:** Todos Santos Plaza  
Free testing is provided on the first Tuesday of the month from 10-2:30 pm, look for the white Contra Costa County van near the corner of Willow Pass Rd. and Mt. Diablo St.  
Anonymous testing is offered at this site.
  
  - **Antioch:** 18th at A Street. (next to Starbucks)  
Free testing is provided every fourth Wednesday of the month from 1-4 pm. Look for the white Contra Costa County van.
  
- We use OraQuick test kits: for HIV it can be done by fingerstick or oral swab and for HCV it can only be done by fingerstick. Results for both in 20 minutes. Call (925) 313-6771 for information. Closed on most holidays, call to verify.
  
3. **Contra Costa Health Services STD Clinics.** Free rapid HIV testing is offered at:
  - West County Health Center, first and third Thursday from 5-7:30 pm.
  - Concord Health Center, second and fourth Tuesday from 5-7:30 pm.
  - Pittsburg Health Center, first and third Wednesday from 5-7:30 pm.Testing and treatment for other STDs also offered by appointment only, please call 1-800-479-9664.
  
4. **Planned Parenthood.** Rapid HIV testing is offered at all of their clinics in Contra Costa County. May have a cost depending on insurance coverage and/or income. Anonymous and confidential testing is offered by appointment, please call 1-800-230-7526.
  
5. **Cal-PEP:** After hours and evening rapid HIV community testing in Richmond, Bay Point, Pittsburg, and Antioch. Please call (510) 874-7850 ext. 8766 for locations.

Revised: February 2018
