#### **Walgreens Walnut Creek & El Cerrito**

The two (2) Walgreens locations in Walnut Creek & El Cerrito are the only chain pharmacy locations in Contra Costa County that have prescription drug drop off-boxes. Prescription Drug abuse is a national and local epidemic. Disposing of unwanted medication is key to reducing access to medications and providing drop off boxes throughout the community makes this convenient for the community at large. Walgreens is a pioneer in retail pharmacy by having two of its locations provide take back boxes for community members. This effort should be encouraged and highlighted as an example for other pharmacies to follow.
