Article I. Name of the Continuum of Care and the Contra Costa Council on Homelessness

Section 1. CONTRA COSTA CONTINUUM OF CARE

The name of this Continuum of Care (CoC) shall be the Contra Costa Continuum of Care, herein referred to as the Continuum of Care or the CoC. The Contra Costa Continuum of Care includes the full general membership of all community members committed to our guiding principle.

Section 2. CONTRA COSTA COUNCIL ON HOMELESSNESS

The name of this Continuum of Care’s governing body shall be the Contra Costa Council on Homelessness, herein referred to as the Council on Homelessness or the Council. The Council is comprised of the members serving in the seats outlined in Article IV. Council Membership and Committees.

Article II. Overview and Mission

The Council is committed to the Housing First approach, and has established this Guiding Principle:

“Homelessness is first a housing issue, and necessary supports and services are critical to help people remain housed. Our system must be nimble and flexible enough to respond through the shared responsibility, accountability, and transparency of the community.”

The CoC has identified two goals and three strategies for the implementation of this Guiding Principle:

- Goal 1: Permanent Housing
- Goal 2: Prevention
- Strategy 1: Coordinated Assessment
- Strategy 2: Performance Standards
- Strategy 3: Communication

The Contra Costa Council on Homelessness, serving at the pleasure of the Board of Supervisors, provides advice and input on the operations of homeless services, program operations, and program development efforts in Contra Costa County. Further, the Council on Homelessness establishes the local process for applying, reviewing and prioritizing project applications for funding in HUD Homeless Assistance Grant Competitions, including the Continuum of Care (CoC) Program and the Emergency Solutions Grant (ESG) Program. The Council will review, update, and approve the Council on Homelessness Governance Charter at least annually and will update these By-Laws when appropriate.

The Contra Costa Council on Homelessness provides a forum for the Continuum of Care to communicate about the implementation of strategies to prevent and end homelessness. The purpose of the forum is to educate the community on homeless issues, and advocate on federal, state, county and city policy issues that affect people who are homeless or at-risk of homelessness.

Article III. Council on Homelessness Responsibilities

Section 1. FUNCTIONS AND TASKS

The Contra Costa Council on Homelessness is the planning body that coordinates the community’s policies, strategies, and activities toward preventing and ending homelessness in Contra Costa County, California. It is a regional, year-round collective planning body of stakeholders ranging from non-profit service providers to local governmental entities. The Council’s work includes gathering and analyzing information in order to determine the local needs of people experiencing homelessness, implementing strategic responses, educating the community on homeless issues, providing advice and input on the operations of homeless services, and measuring performance as related to serving the homeless population in Contra Costa County.

The responsibilities of the Council include the development and implementation of all procedures and policies needed to comply with the HEARTH Act and relevant HUD regulations and guidance (see C.F.R §578.7). The Council must consult with recipients of CoC and ESG funds within Contra Costa County and other homeless service providers in order to coordinate care.

In compliance with Sub-part B and the HMIS requirements, the HMIS Governance Charter, Policies and Procedures, and the Data Security, Quality, and Client Data and Privacy Plans outline specific details as to the relationship between the Council on Homelessness and the collaborative applicant, namely the Contra Costa County Behavioral Health Homeless Program. These By-Laws fully incorporate those standards, policies, and plans.

iii. Performance Measurement

Develop performance measures that can be used to inform a variety of tasks, including CoC Program competition project scoring and reporting; determining how federal, state, and local funds should be utilized; and, creating a responsive system that provides constructive support promoting efficiency by analyzing and responding to gaps in housing and service interventions offered in the system. Additionally, the Council will:

1. Set targets that focus on real change, and are meaningful (relevant to the desired impact), measurable, realistic (adaptable and flexible), and regularly assessed.
2. Consult with recipients and sub-recipients, evaluate their performance, and take action against poor performers.

- iv. Conduct an initial comprehensive assessment in coordination with ESG Program, and then annually conduct a gaps analysis of the needs of homeless people, as compared to available housing and services within Contra Costa County.
