RE: Second Update to the 30-Day Report for the CWS Level 3 Event of August 6, 2012

Dear Mr. Sawyer,

In accordance with the December 14, 2004 Contra Costa Health Services (CCHS) Department Hazardous Materials Incident Notification Policy, Chevron U.S.A. Inc. is providing an update to the 30-Day Report for the Community Warning System Level 3 event that occurred at the Richmond Refinery on August 6, 2012.

At this time, there is no relevant additional incident information that was not previously included in the first update to the 30-Day Report submitted on October 31, 2012, and no additional update on the status of the incident investigation is available.

Chevron U.S.A. Inc. will continue to provide written documentation of current status and updates to the 30-Day Report until the final investigation results and recommendations have been shared.

If you have any questions or comments, please feel free to contact Karen Draper of my staff at (510) 242-1547 or me.

  
Steve Wildman
