

Contra Costa Health Plan Offerings at a Glance

History of Contra Costa Health Plan (CCHP)

CCHP has served the health needs of County residents for over 40 years.

- **CCHP** was the *first* Federally qualified, State licensed, County sponsored HMO in the United States.
- In 1973, we became the *first* County sponsored health plan to offer Medi-Cal Managed Care coverage.
- In 1976 we were the *first* County run HMO to serve Medicare beneficiaries.
- In the 1980's, we began enrolling County employees, businesses, individuals and families.
- In the 1990's, our 24/7 Advice Nurse Program, recognized as a center of excellence, was expanded to serve other counties.
- In 2006 **CCHP** was chosen as the lead agency for the Health Care Coverage Initiative, expanding care to thousands of uninsured residents in Contra Costa County.
- In 2014 as part of the implementation of the Affordable Care Act, **CCHP** enrolled over 35,000 newly eligible individuals into Medi-Cal Managed Care.
- In 2015 as more individuals learned of eligibility for Medi-Cal under the Affordable Care Act, CCHP enrolled over 25,000 newly eligible individuals into Medi-Cal Managed Care. Growth continued in 2016 with 9,000 new members.

CCHP now serves over 200,000 people and continues to be at the forefront of offering comprehensive, quality health coverage. **CCHP** members choose from an extensive network of neighborhood health centers and conveniently located private doctors.

With access to award-winning hospitals, including our own Contra Costa Regional Medical Center, **CCHP** is committed to our tradition of innovating programs providing quality health care to our community.

SeniorHealth Plans

There are two plans designed for Medicare Beneficiaries residing in Contra Costa County. The plans offer low or no co-payments for services with expanded benefits including dental available with one of the plan options.

Contra Costa County Employees

Full time benefited employees have two Plan Options to choose from. **Plan A** has the most benefits for the lowest cost of any health offering to employees. **Plan B**, which costs only slightly more, allows our members to choose doctors from our health centers or our list of contracted Community Providers. *Temporary and Permanent-Intermittent employees* can choose Plan A-2, with comprehensive benefits, using our health centers and the Contra Costa County Regional Medical Center.

IHSS Homecare Workers

A comprehensive medical and dental program is offered to Homecare Providers using our health centers and the Contra Costa County Regional Medical Center. The In-Home Supportive Services Public Authority determines eligibility.

Medi-Cal Managed Care

This is one of two plans approved for no share of cost Medi-Cal beneficiaries in Contra Costa County. With the implementation of the Affordable Care Act, in 2014, childless adults up to 138% of the Federal Poverty Level (FPL) became eligible for Medi-Cal and membership grew 64%
