http://www.medicalreservecorps.gov/About#mission

The Red Cross, the City of Walnut Creek, Rossmoor, CCC Health Services and MRC together with local faith based organizations will conduct a shelter exercise at the Tice Valley Gym on Tice Valley Blvd, Walnut Creek.

There will be a limit of 10 MRC members who can participate in this exercise. Preference will be given to MRC members who have taken the shelter training or who have actually worked in a Red Cross Shelter.

The Red Cross Training and the Exercise is an excellent way to get some exposure to the workings of human and animal sheltering;

Please notify Richard Brown at rbrowncccmrc@aol.com or 510-367-0604 if you want to participate in this exercise.
