

Join the A3 Team

Do you want to help people in crisis?

Contra Costa Health is changing the way our county responds to people in a behavioral health crisis and needs your help to make this vision a reality. A3 is an innovative approach to provide timely and appropriate behavioral health crisis services to *anyone, anywhere* at *anytime* in Contra Costa County.

A3 team members triage crisis calls, provide field-based mental health crisis intervention, and connect people in crisis and their families to services and peer support. A3 is committed to building a program and team that reflects the ethnic, linguistic and cultural diversity that makes up our county.

Anyone, Anywhere, Anytime

We are now hiring for the following positions:

Mental Health Clinical Specialist

You are a compassionate mental health professional providing clinically and culturally appropriate care to people of all ages, in individual and group therapy environments.

Substance Abuse Counselor

You are skilled in providing counseling and recovery support to individuals, groups and families who are experiencing or at high risk for substance use-related problems. You are respectful of diverse cultural and linguistic groups and communicate effectively with people experiencing challenges coping with stress, depression and cravings. You are ready to give back and help others in their recovery journey.

Mental Health Community Support Worker

You are a person with lived experience, are familiar with methods of wellness, recovery and resiliency in mental health and substance use and have experience working and interacting with people from diverse cultural and linguistic groups.

You are a graduate of SPIRIT, NAMI Basics or Family-to-Family, Alameda County BestNOW! or Community Action Marin Mental Health Peer Education Program.
