• Describe how county entities, community parties, and others participated in the development of this plan and how ongoing involvement will occur.
2. Client Flow

Describe how clients move through the different levels identified in the continuum of care (referral, assessment, placement, transitions to another level of care).
3. Treatment Services

• Describe the required and optional types of DMC-ODS services to be provided.

• What barriers, if any, does the county have with the required service levels?

• Determine how the county plans to provide state plan services to beneficiaries who do not reside in the county.
Implementation Plan Elements

4. Expansion of Services

- Describe how the county plans to expand services to include all levels of the ASAM Criteria over the period of the Waiver.

- In the description, include the timeline for expansion.
Implementation Plan Elements

5. Integration with Mental Health.
How will the county integrate mental health services for beneficiaries with co-occurring disorders?

Describe how the counties will integrate physical health services within the waiver.
Implementation Plan Elements

7. Access
Describe how the county will ensure access to all service modalities. Describe the county’s efforts to ensure network adequacy. Describe how the county will establish and maintain the network by addressing the following:

a. The anticipated number of Medi-Cal clients.
b. The expected utilization of services.
c. The numbers and types of providers required to furnish the contracted Medi Cal services.
d. Hours of operation of providers.
e. Language capability for the county threshold languages.
f. Timeliness of first face-to-face visit, timeliness of services for urgent conditions and access to afterhours care.
g. The geographic location of providers and Medi-Cal beneficiaries, considering distance, travel time, transportation, and access for beneficiaries with disabilities.

8. Training Provided.
What training will be offered to providers chosen to participate in the waiver?

What technical assistance will the county need from DHCS?
Implementation Plan Elements

10. Quality Assurance

- Describe the quality assurance activities the county will conduct.
- Include the county monitoring process (frequency and scope), Quality Improvement plan and Quality Improvement committee activities.
- Please list out who the members are on the Quality Improvement committee.
Implementation Plan Elements

11. Evidence Based Practices.
   • How will counties ensure that providers are implementing at least two of the identified evidence based practices?
   • What action will the county take if the provider is found to be in non-compliance?
Implementation Plan Elements

12. Assessment

• Describe how and where counties will assess beneficiaries for medical necessity and ASAM Criteria placement.

• How will counties ensure beneficiaries receive the correct level of placement?
13. Regional Model

• If the county is implementing a regional model, describe the components of the model. Include service modalities, participating counties, and identify any barriers and solutions for beneficiaries.
Implementation Plan Elements

14. Case Management

• Describe how the county will oversee case management services.

• How will case management services be integrated and coordinated with mental health and physical health?

• Case management is a required mode of service under the Waiver.
15. Memorandum of Understanding.

- Submit a draft copy of each Memorandum of Understanding (MOU) between the county and the managed care plans.
- The MOU must outline the mechanism for sharing information and coordination of service delivery.
- Signed MOU’s must be submitted to DHCS within three months of the waiver implementation date.
16. Telehealth Services

• How will telehealth services be structured for providers and how will the county ensure confidentiality?

• Group counseling services cannot be conducted through telehealth.

• It should be noted that this question pertains only to counties planning to implement telemedicine services as part of the DMC-ODS program.
Implementation Plan Elements

17. Contracting
• Describe the county’s selective provider contracting process.
• What length of time is the contract term?
• Describe the local appeal process for providers that do not receive a contract.
• If current DMC providers do not receive a DMC-ODS contract, how will the county ensure beneficiaries will continue receiving treatment services?
Implementation Plan Elements

18. Additional Medication Assisted Treatment (MAT)
If the county chooses to implement additional MAT beyond the requirement for NTP services, describe the MAT and delivery system.

19. Residential Authorization
Describe the county’s authorization process for residential services.
State-County Contract
