Contra Costa County Alcohol and Other Drugs Services
Drug Medi-Cal Organized Delivery System (DMC-ODS)

Recovery support services are important to the beneficiaries in the recovery and wellness process. As part of the assessment and treatment needs of Dimension 6, Recovery Environment of the American Society of Addiction Medicine (ASAM) Criteria, and during the transfer/transition planning process, applicable Recovery Support Services (RSS) will be provided.

ELIGIBILITY
• Contra Costa residents who are Medi-Cal enrolled and have completed any course of Substance Use Disorder (SUD) Treatment
• Clients of the Choosing Change program – clients receiving ongoing Medication-Assisted Treatment through other Narcotic Treatment Programs (NTP) are not eligible
• Provider must be linked to a Drug Medi-Cal certified location or clinic

COMPONENTS
• Outpatient Counseling Services in the form of individual or group counseling to stabilize the beneficiary and assess if further care is needed
• Recovery Monitoring including recovery coaching and monitoring via telephone/telehealth
• Substance Abuse Assistance including peer-to-peer services and relapse prevention
• Support for Education and Job Skills such as linkages to life skills, employment services, job training and education services
• Family Support such as linkages to childcare, parent education, child development support services and family/marriage education
• Support Groups including linkages to housing assistance, transportation, case management and individual services coordination
• Ancillary Services such as linkages to housing assistance, transportation, case management and individual services coordination

WHO CAN PROVIDE?
• A Licensed Practitioner of the Healing Arts (LPHA)
• A certified or registered Alcohol & Other Drugs (AOD) Counselor

WHAT MUST BE DOCUMENTED?
• Medical Necessity – services are provided as medically necessary
