IT ShareCare Survey Assessment
Post-Implementation

First I wanted to say congratulations on all the work that each of you have put in to learn and use the new ShareCare system in support of our customers. Secondly, as is customary with any application go-live, I wanted to take the opportunity to send out a survey to collect your feedback about the application and its support. Please take the opportunity to share the good and the bad with us as we celebrate the successes and learn about and fix the deficiencies. The survey will close 11/15/18. https://www.surveymonkey.com/r/ShareCareSurvey.

Provider Input Needed for AOD Info Notices

As we continue to collaborate on improving Substance Use Disorder Treatment, we would greatly appreciate your feedback on the following DRAFT Info Notices:

- Procedure for Monitoring Appropriate and Timely Interventions of Occurrences that Raise Quality of Care Concerns;
- Procedure for Assessing Beneficiary and Family Satisfaction;
- Procedure for the Guidelines for the Utilization with Fidelity to the American Society of Addiction Medicine (ASAM) Criteria.

Kindly provide any feedback you may have by
