- Based on self-assessment **or** provider assessment of relapse risk
- Beneficiaries receiving Medication Assisted Treatment (MAT) services can also receive Recovery Services
- Can be delivered concurrently with other levels of care as clinically appropriate
- May receive immediately after incarceration regardless of whether or not the person received SUD treatment during incarceration
- In Remission Diagnosis **not** needed to receive Recovery Services; beneficiaries do not need to be abstinent from alcohol and/or drugs for a specific period of time
