A. CCBHS or contracted providers issuing NOABD notices must mail the NOABD to the beneficiary within the following timeframes:
   1. For termination, suspension or reduction of a previously authorized specialty mental health service, at least 10 business days before the date of action, except as permitted under 42 CFR 431.213 and 431.214.
   2. For denial of payment, at the time of any action denying the provider’s claim.
   3. For decisions resulting in denial, delay or modification of all or part of the requested specialty mental health or substance use services within two (2) business days of the decision.
   4. For notifications resulting from the failure to provide access to services within standards or failure to adhere to required timeframes for appeals (30 calendar days), expedited appeals (72 hours) or grievances (90 calendar days) on or before the last date of compliance.

B. CCBHS must communicate the NOABD decision to the impacted provider(s) within 24 hours of making the decision. Decisions shall be communicated initially by facsimile or telephone, and then in writing, except decisions that are made retrospectively.

C. All NOABD notices must explain the adverse benefit determination CCBHS or contracted providers issuing the NOABD notice has made or intends to make including a clear, concise explanation of the decision. For decisions made based on medical necessity, the following shall be stated:
   1. Why the beneficiary’s condition does not meet medical necessity criteria.
2. A description of the medical necessity criteria used including any processes, strategies, or evidentiary standards used in making such determinations.

3. The beneficiary’s right to be provided upon request and free of charge, reasonable access to and copies of all documents, records, and other information relevant to the beneficiary’s adverse benefit determination.

D. All CCBHS and contracted providers issuing NOABDs shall use DHCS approved templates or the electronic equivalent generated from the Electronic Health Record. This includes all NOABD notices and attachments. The following outlines all of the NOABD types and their purpose:

1. NOABD - Delivery System Notice: This notice shall be used when CCBHS or contracted provider has determined that the beneficiary does not meet the criteria to be eligible for specialty mental health services or substance use disorder services through CCBHS. The beneficiary will be referred to the Managed Care Plan, or other appropriate system, mental health services, substance use disorder services or other services.

2. NOABD - Denial Notice: This notice shall be used when CCBHS makes the decision to deny authorization of a requested service based on, but not limited to, determinations on type or level of service, requirements for medical necessity, appropriateness, setting or effectiveness of a covered benefit. Template shall also be used for denied residential service requests.

3. NOABD - Payment Denial Notice: This notice shall be used when CCBHS denies, in whole or in part, for any reason payment authorization to the provider for a service already delivered to a beneficiary. Reasons for denials include, but are not limited to, denials based on documentation standards.

4. NOABD - Modification Notice: This notice shall be used when CCBHS modifies or limits the requested service, including reductions in frequency and/or duration of service, and approves alternate treatments or services.

5. NOABD - Authorization Delay Notice: This notice shall be used when there is a delay in processing a provider’s request for authorization of specialty mental health services or substance abuse disorder residential services. When CCBHS extends the timeframe to make an authorization decision, it is a delay in processing a provider’s request. This includes extensions granted at the request of the beneficiary or provider, and/or those granted when there is a need for additional information from the
beneficiary or provider, when the extension is in the beneficiary’s best interest.

6. NOABD - Termination Notice: This notice shall be used when CCBHS or contracted provider terminates, reduces, or suspends a previously authorized service.

7. NOABD - Timely Access Notice: This notice shall be used in the event that CCBHS or the contracted provider does not provide services in a timely manner according to CCBHS standards for timely services.

8. NOABD - Financial Liability Notice: This notice shall be used when CCBHS denies a beneficiary’s request to dispute financial liability, including cost-sharing and other beneficiary liabilities.

9. NOABD - Grievance/Appeal Resolution Notice: This notice shall be used in the event that CCBHS does not meet required timeframes for the standard resolution of grievances, appeals, and expedited appeals.

E. The Language Assistance Taglines attachment must be sent with all NOABD mailings regardless of the primary language specified on the Medi-Cal Eligibility Data System to ensure limited English proficient individuals are aware of the translation services for which they are entitled.

F. The Beneficiary Non-discrimination Notice shall be sent with all NOABD mailings. This notice informs beneficiaries of their right to services free of discrimination, services and aids provided by CCBHS for beneficiaries with disabilities to help them communicate better.

G. The NOABD Your Rights attachment must be included with all NOABD mailings. This attachment informs beneficiaries of their rights to file an appeal if they do not agree with the NOABD and request a State Fair Hearing after the appeal decision if they do not agree with the decision of the appeal.

H. Beneficiaries will be assisted in preparing for the adverse benefit determination, including, but not limited to, identifying alternate resources and/or support, e.g., self-help groups and free community services.

I. CCBHS and contracted providers assessing beneficiaries who do not meet medical necessity, and providers denying, modifying, or terminating services shall maintain a log. IF YOU DO NOT AGREE WITH THE DECISION MADE FOR YOUR MENTAL HEALTH OR SUBSTANCE USE DISORDER TREATMENT, YOU CAN FILE AN APPEAL. THIS APPEAL IS FILED WITH YOUR PLAN.

HOW TO FILE AN APPEAL

You have **60 days** from the date of this “Notice of Adverse Benefit Determination” letter to file an appeal. **If you are currently getting treatment and you want to keep getting treatment, you must ask for an appeal within 10 days** from the date on this letter OR before the date your Plan says services will stop. You must say that you want to keep getting treatment when you file the appeal.

You can file an appeal by phone or in writing. If you file an appeal by phone, you must follow up with a written signed appeal. The Plan will provide you with free assistance if you need help.

- **To appeal by phone:** Contact Contra Costa Behavioral Health Services, Quality Improvement Coordinator between 8AM and 5PM, Monday through Friday, excluding holiday's by calling 925-957-5131. Or, if you have trouble hearing or speaking, please call 711.

- **To appeal in writing:** Fill out an appeal form or write a letter to your plan and send it to:

  Contra Costa Behavioral Health Services  
  Attn: Quality Improvement Coordinator  
  1340 Arnold Drive, Suite, 200  
  Martinez, CA 94553

Your provider will have appeal forms available. Contra Costa Behavioral Health Services can also send a form to you.

You may file an appeal yourself. Or, you can have someone like a relative, friend, advocate, provider, or attorney file the appeal for you. This person is called an “authorized representative.” You can send in any type of information you want your Plan to review. Your appeal will be reviewed by a different provider than the person who made the first decision.
Your Plan has 30 days to give you an answer. At that time, you will get a “Notice of Appeal Resolution” letter. This letter will tell you what the Plan has decided. If you do not get a letter with the Plan’s decision within 30 days, you can ask for a “State Hearing” and a judge will review your case. Please read the section below for instructions on how to ask for a State Hearing.

**EXPEDITED APPEALS**

If you think waiting 30 days will hurt your health, you might be able to get an answer within 72 hours. When filing your appeal, say why waiting will hurt your health. Make sure you ask for an “expedited appeal.”

**STATE HEARING**

If you filed an appeal and received a “Notice of Appeal Resolution” letter telling you that your Plan will still not provide the services, or you never received a letter telling you of the decision and it has been past 30 days, you can ask for a “State Hearing” and a judge will review your case. You will not have to pay for a State Hearing.

You must ask for a State Hearing within **120 days** from the date of the “Notice of Appeal Resolution” letter. You can ask for a State Hearing by phone, electronically, or in writing:

- **By phone:** Call 1-800-952-5253. If you cannot speak or hear well, please call TTY/TDD 1-800-952-8349.

- **Electronically:** You may request a State Hearing online. Please visit the California Department of Social Services’ website to complete the electronic form: [https://secure.dss.cahwnet.gov/shd/pubintake/cdss-request.aspx](https://secure.dss.cahwnet.gov/shd/pubintake/cdss-request.aspx)

- **In writing:** Fill out a State Hearing form or send a letter to:

  California Department of Social Services  
  State Hearings Division  
  P.O. Box 944243, Mail Station 9-17-37  
  Sacramento, CA  94244-2430

  Be sure to include your name, address, telephone number, Date of Birth, and the reason you want a State Hearing. If someone is helping you ask for a State Hearing, add their name, address, and telephone number to the form or letter. If you need an interpreter, tell us what language you speak. You will not have to pay for an interpreter. We will get you one.

After you ask for a State Hearing, it could take up to 90 days to decide your case and send you an answer. If you think waiting that long will hurt your health, you might be able to get an answer within 3 working days. You may want to ask your provider or Plan to write a letter for you, or you can write one yourself. The letter must explain in detail
how waiting for up to 90 days for your case to be decided will seriously harm your life, your health, or your ability to attain, maintain, or regain maximum function. Then, ask for an “expedited hearing” and provide the letter with your request for a hearing.

**Authorized Representative**

You may speak at the State Hearing yourself. Or someone like a relative, friend, advocate, provider, or attorney can speak for you. If you want another person to speak for you, then you must tell the State Hearing office that the person is allowed to speak for you. This person is called an “authorized representative.”
