**HCH Program Action Items:**

- Report Back: Of our total patients seen how many need these screenings and how many are diabetic and hypertensive?
- Medical Director to complete Quality Assurance reports to board quarterly including clinical oversite and competence of providers.
- In future reports:
  - Include the PRIME numbers within these graphs to compare what HCH is doing compared to the larger system.
  - Compare HCH numbers to other HCH programs throughout the nation.

**HCH Patient Satisfaction Survey (All)**

- Simply worded
- Statements should be reworked to stress the positive outcome
- Rework demographics section to match what we report to HRSA
- Break down senior ages above 55+
- Be sure to ask about financial concerns
  - Question “if you missed a clinic appointment...”
I am worried about getting charged

- Need more questions regarding satisfaction of clinical services
  - Review what the health centers use and add some additional questions
  - Comment section for free text. Also, include that their responses will not impact their services at the top of the page.
- Increase number of surveys collected: BARM is willing to help complete these surveys once we are ready to implement.
  - Sit down with their CM to complete these at BARM by staff

**HCH Program Action Items:**

- Review health center survey and add more questions around satisfaction of clinic services
- Communicate with BARM about completion of surveys once implemented
- HCH team to report back with updated survey for final approval before implementation
