**HCH Strategic Plan**

1. HCH Historical Trend
   a. At programs start we were receiving $75,000 in funds compared to current 3.6 million in grant funds.
   b. Funding comes down based on Federal administration.
      i. Expansion in Medicaid benefited homeless programs.
      ii. Current funds from the federal level are for behavioral health services focusing on mental health and opioid use services.
      iii. Funds are based on what administration decides what is needed nationwide.
   c. HCH = Federally Qualified Health Center (FQHC)
      i. Means we get a higher Medi-Cal reimbursement than a non FQHC clinics
      ii. HRSA funds help us provide out of the box services (medical outreach, mobile clinics, etc.)

2. HCH Financial Trend
   a. Cost per patient – have been able to show slight decrease overtime.
   b. HRSA looks at cost per homeless patient seen throughout the CCHS system (this number is aggregated).
   c. Increase in 2012 at EHR implementation
   d. We show high cost per patient which is higher compared to other HCH programs as we are a public entity and a part of a larger system of care which includes ER, inpatient, specialty services, etc.
