2. Limited bus routes/time
   a. Identified hours are very limited after 5pm and no operation on the weekends
   b. This has been a constant problem and has been working with the city of Concord to improve these services for clients. City of Concord reports there is not enough ride participation from these areas and therefore not expanding the hours.

c. Classes
   i. Health Maintenance Screenings

d. Shelter Staff Training
   i. High turnover of staff at shelters – current trainings HCH provides:
      1. Narcan Training
      2. Harm Reduction Training
   ii. Make sure training is available to all staff (Night and day shifts)
   iii. Shelter managers do have access to Target Solutions (CCHS online training) that maybe training could be offered.
   iv. Other trainings to offer:
      1. Compassion Fatigue
      2. Therapy options, etc.

2. Choosing Change (MAT) Patient Advisory Committee Report Out
   a. Meeting since Nov 2018
   b. Art Therapists no longer in groups due reframing of art therapy with Mental Health Clinicians
      i. Outcome: Choosing Change ordered art supplies for the MHCSs to facilitate art therapy projects in certain groups (based on group interests in art expression)
   c. Proposed the idea of offering injectable version of medication used to treat OUD, clients expressed interest
      i. Outcome: Investigating injectable medication and researching pharmaceutical logistics
         1. Lots of precautions – needs to be locked, refrigerated
         2. Does not go into blood stream, is released slowly into system
   d. Patients expressed the need for more advertising and spreading the word about Choosing Change
Contra Costa County Health Services
Health Care for the Homeless Co-Applicant Governing Board

i. Outcome: Made a cchealth.org/choosing-change website available to the public
ii. Patients provided input on content to include on website: Opioid news updates, forms of medication available to treat OUD, evidence based research, links to other programs, testimonials, images of relatable people
iii. Link included on HCH Website
iv. In process of creating social media pages on Facebook and Instagram for additional outreach – post about services, recovery, etc
v. How do people find out?
   1. AOD/MH access lines
   2. Can be referred by provider
   3. Catch them as they are coming out of jail

   e. Concerns around Fentanyl being laced into almost everything
      i. Outcome: Choosing Change ordered Fentanyl Test Strips along with Narcan to disseminate during groups. Announcements around availability made every 1st of the month

   f. Understock of OUD medication, resulting in pharmacies running out. In addition, pharmacies treating patients with hostility
      i. Outcome: Call made with reps to discuss increase in meds by providing group schedule (to increase stock around group meetings) and treating patients more respectfully

   g. Choosing Change Group Expansion
      i. Outcome: Patients proposed expanding groups to Brentwood, adding another group in Pittsburg as well as have family groups
         1. Rolling out family groups at CHC2 with Dr. Saffier
