How to get an At-Home COVID Test

Our instructions may change. Please return to our website to check for any updates.

The information below only applies to CCHP Plan A, Plan B, Plan A2, and IHSS Plan A2 members. (Medi-Cal members should call Medi-Cal Rx at 1-800-977-2273 for information.)

Starting January 15, 2022, CCHP will cover up to 8 At-Home COVID Tests per member within a 30 day period. (Keep in mind, some packages contain more than one test, so check how many there are in the box before you decide how many you will buy.)

CCHP encourages you to purchase the test from one of our contracted pharmacies whenever possible. If you purchase an At-Home COVID Test at the pharmacy, and the pharmacy is unable to process payment using your insurance information, please submit a reimbursement request to CCHP.

You can get reimbursed up to the maximum allowable amount per federal regulations.
(This means CCHP reimbursement might not cover the full cost of what you pay out of pocket.)

To get reimbursed, please mail the following to us:

1) **A completed *CCHP At-Home COVID Test Reimbursement Form* (for each CCHP member in your household requesting reimbursement)**

2) **A copy of the receipt(s)**

3) **The box for each test. Please include the part of the box that includes the UPC bar code AND the number of tests included in the box.**

Mail it to:
