Other Updates

Other Important Announcements

Formerly called CalAIM Initiative, the Medi-Cal Healthier California for All, is a multi-year initiative by the Department of Health Care Services (DHCS) to improve the quality of life and health outcomes of our population by implementing broad delivery system, program and payment reform, including upgrades to upcoming waiver renewals. All materials available at <https://www.dhcs.ca.gov/calaim>

The California Department of Public Health (CDPH) Overdose Surveillance Data

For data lovers! The dashboards and data available through this application are the result of ongoing collaboration between CDHP, Office of Statewide Health Planning and Development, Department of Justice and the Calif Health Care Foundation and it displays mortality trends due to Opioids including Fentanyl by County. The data is available free of cost <https://skylab.cdph.ca.gov/ODdash/>

COMPLIANCE CORNER

Staff Training and Experience

Intergovernmental Agreement (IA) Exhibit A, Attachment I, III, A, 1, iii.

Professional and non-professional staff are required to have appropriate experience and any necessary training at the time of hiring. Documentation of trainings and licensure shall be contained in the personnel files.

Network Adequacy- IA Exhibit A, Attachment I, II, E, 1, iii, a-d

The contractor shall provide beneficiaries seeking Opioid Treatment Program (OTP) Services with an appointment in three (3) business days. Non-OTP services with an appointment in 10 business days. Contractor shall meet services standards and follow the timely access to care standards for first face-to-face visit, emergencies and afterhours care. The contractor's hours of operation shall be no less that the hours of operation offered to commercial beneficiaries or comparable to Medicaid FFS. Contractors shall have services available 24/7 when medically necessary. The county shall monitor network providers regularly to determine compliance, and take corrective action if there is a failure to comply.
