

In 2025, the Contra Costa Family Medicine Residency Program will sponsor two Point of Care Ultrasound (POCUS) courses:

**Saturday, January 18<sup>th</sup> through Sunday, January 19<sup>th</sup>, 2025**

**Saturday, June 21<sup>nd</sup> through Sunday June 22<sup>nd</sup>, 2025**

Priority enrollment is given to clinical faculty or residents interested in starting or developing a POCUS program in their Family Medicine Residency Program. Here is an [example of past course content](#).

The course will teach bedside ultrasound skills that are helpful for outpatient and inpatient physicians.

Participation in the course will allow you to receive 15 units CME (AAFP); limited access to the online learning platform at the [Global Ultrasound Institute](#); and a certification of completion that can be used when applying for POCUS privileges at your home institution.

The hours of the courses will be 800am - 500pm on Saturday and 830am - 500pm on Sunday. The course will take place at Contra Costa Regional Medical Center, Building 1, first floor conference center 2500 Alhambra Way, Martinez, CA 94553

Payment: The course costs **\$949**. Similar courses by commercial vendors cost over \$1250. Receipt of payment will reserve you a spot in the course. Space is limited. Your payment will help cover the costs of the course, and all proceeds support our Global Health Fellowship that is helping to develop the nascent specialty of Family Medicine in Malawi.

Please obtain payment information and enroll in the course by e-mailing [CCPOCUS.Program@cchealth.org](mailto:CCPOCUS.Program@cchealth.org).

Please feel free to contact us if you have any questions.
