# MEET THE TEAM CONTINUED

**Renee** our Networker gathers information, bringing people to the table

**Nora** our Speaker explains the information on the table to people. Great help with setup and break down of event items.

**Troy** Tech person who quickly fixes issues, making forms, getting contact from the web. Engages people and able to meet needs in a short time.

**Ruby** our experienced person. Bringing knowledge of processes that worked well from other events. Provides guidance for data collection and information and adds an artful touch.

# What are Specialty Health Ambassadors

A Team of people who promote accessibility to health care services in the East Bay. Working under Contra Costa Health Services we assist people with special needs and their families. Contra Costa is actively reaching out to engage people through this team.

# COMMUNITY EVENTS

A person is shown in silhouette from the back, looking through a telescope. The telescope is held horizontally, and the person's hands are visible gripping it. The background is a city skyline at sunset, with the sun low on the horizon, casting a warm, golden glow over the buildings. The sky is a mix of orange, yellow, and light blue. The overall mood is contemplative and forward-looking.
