The California Retail Food Code (CRFC) describes the operational requirements and restrictions for microenterprise home kitchen operations (MEHKOs). Specifically:

Food preparation is limited to no more than 30 individual meals per day and 90 individual meals per week, or the approximate equivalent of meal components when sold separately. CRFC Section 113825(a)(7).

The MEHKO does not exceed \$100,000 in gross annual sales, adjusted annually for inflation based on the California Consumer Price Index. CRFC Section 113825(a)(8).

CERTIFICATION

I understand that the restrictions under the MEHKO permit only allow up to 30 meals per day, 90 meals per week, and \$100,000 in gross annual sales. I will track and keep all receipts of sales and have records available for review upon request.
