What is a Grievance?

The grievance process will:

- Involve simple and easily understood procedures that allow you to present your grievance orally or in writing.
- Not penalize you or your provider in any way.

System Plan (DMC-ODS) might ask you to sign a form authorizing them to release information to that person.

- Ensure that the individuals making the decisions are qualified to do so and not involved in any previous levels of review or decision-making.
- Provide resolution for the grievance in the required timeframes.
