

Patients and Families

Partnering with patients and families in transforming healthcare into a welcoming, accessible experience for all.

Tell Us What You Think...We're Listening!

If you could design it, what would healthcare look like?

How are you as a patient/family member at the heart of all that we do?

What can we do together to improve the health of our community?

Join us!

Be part of a growing number of people dedicated to transforming healthcare.

Have an equal voice in healthcare workgroups and improvement teams.

Make your ideas a reality!

Are you...?

Willing to work in partnership with others

Willing to respectfully share your opinions and experiences

Willing to join in shared learning opportunities

Committed to improving health care for all
