

Contra Costa Regional Medical Center Auxiliary

What is the CCRMC Auxiliary?

CCRMC Auxiliary is a volunteer-driven, non-profit organization committed to raising funds for patient centered care. Auxiliary members are men and women of all ages, occupations and backgrounds that have joined together to address the growing health needs of our community. The goal of the Auxiliary is help provide extraordinary care to patients and support the work of the Contra Costa Regional and Health Centers.

What is the Purpose of the CCRMC Auxiliary?

The Auxiliary is instrumental in planning and conducting fundraising and special events that benefit CCRMC patients, staff and the community. The Auxiliary also serves as the “voice” of CCRMC volunteers to the Volunteer Department, hospital administration and the community. The idea of making contributions of time, ideas and effort has been the core of the Auxiliary since its inception.

Why Support the CCRMC Auxiliary?

With the support of donors and friends, the auxiliary raises funds for direct patient centered care and amenities including purchasing items and services that doctors, nurses and hospital staff identify to assist in providing superior care, alleviate the stress, pain confinement associated with a hospital stay.

Donations have provided teddy bears for children undergoing surgery, artwork for hallways, funding a palliative care cart, ICU/IMCU waiting room renovations and purchasing iPads for Infusion Clinic patients.

CCRMC Auxiliary Benefits

By being a member of the Auxiliary you will be invited to special social events, receive written publications of the Auxiliary’s activities and accomplishments, and receive our quarterly newsletter, Heart Line. These publications and events will keep you well informed of the projects the Auxiliary is involved in and the many ways in which we are supporting patient care.

CCRMC Auxiliary Donations and Gifts

Make a Donation

The Auxiliary depends on the support and generosity of individual donors, friends, corporations, civic groups and foundations. In addition, individuals can make a memorial or donation in honor of a friend or significant occasion. One hundred percent (100%) of all donations goes to help patients and their families.

Memorial Gifts
