Each component to lead with a short description of the component and categories within the component, and then list and describe each program or plan element, cost allocated, and number to be served.
The Budget

Provides estimated available funds, revenues and expenditures by component for each of the next three fiscal years. Depicts estimated funds available by component starting July 2017.
Budget Analysis

- Indicates expenditures will exceed revenues for the next three years – predicts sufficient unspent funds to sustain this level of programming – assuming no significant new funding commitments (e.g., AB 1421, COLAs).
- Lists MHSA funding constraints for each component.
Evaluating the Plan

• Describes program and fiscal review process with written report to determine whether MHSA funded program or plan elements:
  – Meet the letter and intent of MHSA
  – Support the needs, priorities and strategies identified in the community program planning process
  – Meet agreed upon outcomes and objectives
  – Are cost effective

• Adds a monthly MHSA financial report to enable ongoing fiscal accountability.
