Guidelines for Forum Participants

The counsel and advice of all participants in the forum process is highly valued in planning and preparation of Mental Health Services Act funded programs and services. In order for all voices to be expressed in a productive, safe and respectful environment, the following set of self-governance guides is asked of all forum participants:

1. We are committed to honoring people’s time. Please help us by arriving on time, asking questions, speaking to the topic at hand, and allowing for others to speak.
2. Turn your cell phone ringers off or set them on vibrate. If you need to take a call, please exit quietly into the hallway and take calls away from the forum area doors.
3. Avoid providing any distractions, such as side bar conversations.
4. Wait to be recognized before speaking, and keep your comments direct and brief.
5. It is okay to disagree, as different perspectives are welcomed and encouraged. Please be polite and respectful and allow for others to voice their views as well.
6. Please refrain from criticizing a specific person or viewpoint in a negative manner during the forum and in group discussions. Outside of the forum, please speak to MHSA staff support for assistance in having your concerns heard and addressed through the appropriate channels.
7. An individual may be asked to leave should they behave in a manner that threatens the safety of any participant, or does not honor the terms of these guidelines.
