*Below responses are listed in order of how frequently they were mentioned.*

**What do you see as our most pressing mental health care needs?**

1. Training, Support, Education for Families and Teachers
2. Trauma Informed Care – including implicit bias, cultural humility, intergenerational trauma, preventing ACES, compassion fatigue
3. Access and Quality of Care – including marginal preschools, daycares, long wait lists, inconvenient times, lack of resources
4. Prevention and Early Intervention
5. Stigma
6. Advertising / Resource Information
7. Black Mental Health Issues – including disproportionate preschool expulsion, discipline
8. Peer Support

**How do you think we could best address these needs?**

1. Education, Support, Trainings – including for special populations (i.e. teachers, law enforcement, medical providers, teens) and on special topics (i.e. brain health, mental health, development)
2. Outreach/Advertising – including broader use of social media, targeted campaigns geared toward schools, parents, etc.
3. Access – including information in multiple languages
4. Prevention and Early Intervention Activities and Initiatives
5. Trauma Informed, Cultural Humility Trainings – to address implicit bias, intergenerational trauma, empathy
6. More events/forums
7. More funding

**Any suggestions as we plan for the next three years?**

1. Trainings and Events – suggestions for future topics include African American, Islamic, LGBTQ mental health, Peers
2. Cultural Humility – create trauma transformed systems, address racism, cultural appropriation, impact of politics on mental health
3. Partnerships/Collaboration – with health care systems (i.e. Kaiser), K-12 systems, stakeholders

Feedback Summary

4. Focus on specific populations – African American, Islamic, LGBTQ, others  
5. Funding – allocate to 0-5, specific cultural groups  
6. Advertising – social media, billboards, etc.  
7. Access  
8. Transition between early childhood (0-5) and school age (6-18) – bridge the gaps  
9. System Navigation  

What was the most helpful take away from today?  

1. Learning about new resources / New information  
2. Small group discussions / Opportunity to give input  
3. Passionate community / Meeting new people  
4. Learning about the importance of the 0-5 experience  
5. Hearing from speakers  

Suggestions or Comments (in no particular order):  

- Great job everyone!  
- Put services on billboards; provide services outside working hours; more transportation  
- Make it longer; more resources  
- Very interesting  
- More time for the training to learn about programs and services  
- More training on this topic  
- More facilities for Muslim centers  
- Education for pregnant moms and parents of small children  
- Social media ads reducing stigma and identifying where to go for services  
- Thank you for all the hard work you put into this  
- It was good  
- Go Bay Area strong with community network!  
- This was a great event, I learned so much!  
- More forums, this subject needs years of conversation with the community  
- Wished at end there was acknowledgement of community members who came  
- More info before hand about what today was about. This was great but flyer didn’t explain  
- More black mental health programs  
- Less provider heavy; more space for parents to give input and be heard. Didn’t feel like giving input about services to providers.  
- Make billboards  
- Very good themes  
- Excellent event, make more frequent  
- Very good info except wanted more time  
- Resources  
- Continue more group work so we can express personal information and stories.
