IMPORTANT INFORMATION YOU SHOULD KNOW

If you need assistance with completing this form:

- You may ask any staff at each program to assist you.

- You may call the Grievance Advocate (not a direct County employee) at (925) 293-4942. Collect calls are accepted.

What is a Grievance?

A grievance is an expression of dissatisfaction about anything regarding your specialty mental health or substance use disorder services that are not one of the problems covered by the appeal and State Hearing processes.

The grievance process will:

- Involve simple and easily understood procedures that allow you to present your grievance orally or in writing.
- Not penalize you or your provider in any way.
- Allow you to authorize another person to act on your behalf, including a specialty mental health or substance use disorder provider. If you authorize another person to act on your behalf, the Contra Costa Mental Health Plan (MHP) or Drug Medi-Cal Organized Delivery System Plan (DMC-ODS) might ask you to sign a form authorizing them to release information to that person.
- Ensure that the individuals making the decisions are qualified to do so and not involved in any previous levels of review or decision-making.
• Provide resolution for the grievance in the required timeframes.

When Can I File a Grievance?

You can file a grievance anytime with the Contra Costa MHP or DMC-ODS if you are unhappy with the specialty mental health or substance use disorder services you are receiving from Contra Costa MHP or DMC-ODS or have another concern regarding them.

How Can I File a Grievance?

You may call the Access Line at (888) 678-7277 to get help with a grievance. Contra Costa MHP or DMC-ODS will provide self-addressed envelopes at all the providers’ sites for you to mail in your grievance. If you do not have a self-addressed envelope, you may mail your grievance directly to the address on this form. Grievances can be filed orally or in writing. Oral grievances do not have to be followed up in writing.

How Do I Know If the CCMHP Received My Grievance?

The Contra Costa MHP or DMC-ODS will let you know that it received your grievance by sending you a written confirmation.
When Will My Grievance Be Decided?

The Contra Costa MHP or DMC-ODS must make a decision about your grievance within 90 calendar days from the date you filed your grievance. The timeframes for making a decision may be extended by up to 14 calendar days if you request an extension, or if Contra Costa MHP or DMC-ODS believes that there is a need for additional information and that the delay is for your benefit. An example of when a delay might be for your benefit is when Contra Costa MHP or DMC-ODS believes it might be able to resolve your grievance if they have more time to get information from you or other people involved.

How Do I Know If the Contra Costa MHP or DMC-ODS Has Made a Decision About My Grievance?

When a decision has been made regarding your grievance, Contra Costa MHP or DMC-ODS will notify you or your representative in writing of the decision. If Contra Costa MHP or DMC-ODS fails to notify you or any affected parties of the grievance decision on time, then Contra Costa MHP or DMC-ODS will provide you with a Notice of Adverse Benefit Determination advising you of your right to request a State Hearing. The Contra Costa MHP or DMC-ODS will provide you with a Notice of Adverse Benefit Determination on the date the timeframe expires.

Is There a Deadline to File a Grievance?

No, you may file a grievance at any time.
Beneficiary/families will not be subject to any manner of
discrimination, penalty, sanction or restriction for exercising their
