bkuenemeier@wi.edu

PRIDE INITIATIVE GOALS
- County is safe, supportive and provides a welcoming environment for LGBTQ clients, consumers, customers, patients and staff.
- CCHS workforce is trained appropriately to serve LGBTQ community.
- Pride Initiative efforts are visible and have demonstrated in CCHS a measurable impact.

ACCOMPLISHMENTS TO DATE
- CCHS PRIDE collects SOGI data and provides training to registration clerks, June 2017
- Gender Clinic for transgender and genderexpansive patients opens at PHC, WCHC, and MTZ Health Centers (December 2016)
- MEMORABLE MOMENT—Supreme Court dismiss CA Prop 8 and revoke provision of DOMA that denied Federal benefits to legally married same sex couples, June 2013.
- CCHS PRIDE sponsors Board of Supervisors proclaiming June as LGBTQ Pride month, 2010–2013.
- CCHS PRIDE collaborates in the development of the Nondiscrimination, Cultural Competency, and Welcoming policies for Contra Costa Health Services, 2011–on-going.
- CCHS PRIDE training partnership with the Transgender Law Center—Project Health, 2012.
- CCHS PRIDE Human Rights Campaign, Healthcare Equality Index designated as Leader in LGBTQ care.

The Mission of the Local LGBTQ Resource Pride Initiative is to integrate practices and policies that foster: a safe and inclusive environment, equal access and quality health care services, as well as awareness, acceptance and respect for our lesbian, gay, bisexual, transgender, queer and nonbinary employees and service recipients.

A Contra Costa Health Services
Health Equity Project

Printing funded by the Mental Health Services Act CCHS Behavioral Health Division. (05/19)
CONTRA COSTA HEALTH SERVICES
GENDER CLINIC
Gender Clinic welcomes transgender and non-binary/genderqueer/gender diverse/gender expansive patients who are 18 or older. Gender Clinic staff are trained in providing gender-affirming and transition-related care, including medication/hormone management, surgical referrals, mental health resources and help with identity document changes. Services offered at West County, Martinez and Pittsburg health centers, by referral or by calling 1-800-495-8885.
