

We Embrace Diversity

Contra Costa Health Services values and respects all individuals. We do not discriminate based on: age, sex, religion, sexual orientation (including lesbian, gay, bisexual), gender identity or expression (including transgender and intersex), culture, education, race, ethnicity, language, former incarceration, marital, economic or housing status, physical or mental disability, or any other basis prohibited by federal, state or local law.

For additional information on CCHS non-discrimination policies and complaint procedures, contact the Reducing Health Disparities office at 925-957-5422. Printing funded by the Mental Health Services Act and CCHS Behavioral Health and Homeless Services Division..
