APPLICATION FOR CERTIFIED COPY OF BIRTH RECORD

INFORMATION:

The name required on Vital Records are the names given at birth, or a name received through adoption, court-ordered name change, or naturalization. AKAs (Also Known As) and assumed names cannot be entered as the legal name on the birth record.

INSTRUCTIONS:

1. **ONLY** individuals who are authorized by Health and Safety Code Section 103526 can obtain a Certified Copy of a birth record to establish identity of the registrant (person listed on the certificate). Page 3 identifies the individuals who are authorized to make the request. All others may receive a Certified Informational Copy which will be marked, “Informational, Not a Valid Document to Establish Identity.”

2. Complete a separate application for each different birth record requested.

3. Complete the Applicant Information section on Page 3. In the Birth Record Information section, provide all the information you have available to identify the birth record. If the information you furnish is incomplete or inaccurate, we may not be able to locate the record, in which case the fee will be retained for the search and you will be issued a Certificate of No Public Record. Fees are non-refundable per state law.

4. **SWORN STATEMENT**

   - The authorized individual requesting the certified copy must sign the attached Sworn Statement, declaring under penalty of perjury that they are eligible to receive the certified copy of the birth record and identify their relationship to the registrant – the relationship must be one that is identified on Page 3. **Only one sworn statement is required for multiple records (twins/triplets).**

   - If the application is being submitted online or by mail, the Sworn Statement **must be** notarized by a Notary Public. To find a Notary Public, see your local yellow pages or contact your bank or UPS store. Law Enforcement and local and state governmental agencies are exempt from the notary requirement.

   - A Sworn Statement notarized by a foreign notary must have an apostille attached. Foreign notarizations obtained from an Ambassador, Minister, Consul, Vice Consul or Consular Agent of the United States, or from a Judge of Court of record having a seal in a foreign country do not require an apostille.

   - You do not have to provide a Sworn Statement if you are requesting a Certified Informational Copy of birth record.

5. Submit $36.00 for each copy requested. If no birth record is found, the fee will be retained for searching for the record (as required by law) and a “Certificate of No Public record” will be issued to the applicant. Indicate the number of copies you want and include the correct fee(s) in the form of a personal check or postal/bank money order (International Money Order for out of country requests) made payable to Vital Registration. Checks must be pre-printed with the purchaser’s name. No out of state checks will be accepted. DO NOT SEND CASH. (VR cannot be held responsible for fees paid in cash that are lost, misdirected, or undelivered).
